*** CBP RANDOM EXAMS - COAST GUARD INSPECTIONS OR EXAMS AT OUTGATE *****

Dear Consignee and Notify Party,

Please be aware that terminals and ocean carrier may not receive advance notification from CBP and /or fromCoast Guard when they select a container for a random inspection.

It is common for random exam notices to be issued at outgate or after a pick up appointment has already been scheduled.

Our inspection related charges for random exams may still be invoiced after pick up and will remain valid.

Furthermore, last minute seal changes are unavoidable with these inspections.

Thank You!
